

## PRO SHRP DRILLING SPRAY

SHD

### GENERAL INFORMATION

**PRO SHARP DRILLING SPRAY** is a highly efficient product, facilitating machine work. It is perfect for all types of work including metal machining, e.g.: drilling, tapping, milling, cutting, grinding, sawing and extruding. **PRO SHARP DRILLING SPRAY** perfectly cools and lubricates at high milling speeds, thus lengthening tool life, improving machining parameters, preventing sticking of chips and decreasing temperature. **PRO SHARP DRILLING SPRAY** is resistant to chemicals and features perfect heat conduction. Ultra thin layer provides for long-lasting lubrication and protection. **PRO SHARP DRILLING SPRAY** is suitable for all types of steel and non-ferrous metals, e.g.: aluminium, copper, brass and their alloys.

### USAGE

**PRO SHARP DRILLING SPRAY** is used, where precision, work speed and the highest class of smoothness of machined surface are required — tool shop, production of moulds and matrices, overhaul and mechanical facilities, garages, etc.

### CLASSIFICATION

Article code	Name	Packaging	Type
SHD	PRO SHARP DRILLING SPRAY	aerosol 400 ml	lubricants
