GENERAL INFORMATION

PRO TAPESEAL is a universal repair tape, ideal in emergency situations. May be safely used in all repair works. Just stretch the tape, wind in layers around the repaired item — the result is quick and easy to make, as well as a strong, waterproof and air-tight protection. The tape may be used even on dirty and damp surfaces. **PRO TAPESEAL** retains its elasticity and does not become brittle when exposed to sunlight. It is easy to remove and does not leave any traces.
